Food for your mouth

And colors for your eyes

VS 2:

Fall asleep, I'll make for you a love
Love like a shield
Like a home, like a dove
You are free, but ever enthralled
And I-I-I, I will be your all

CHORUS

BRIDGE:

F#m D9
Pick the lies right off the tree
F#m
Your eyes are open but not to see
D9
Build a tower to the sky

You think you know
F#m
You think you're wise
D9
Melt your gold down to a god

F#m
Sell your soul to pay for your façade
D9
Trade my love for silence

I give you up if you want it

CHORUS
