Verse 1:

A D A
How lovely is your dwelling place
F#m D A
How wonderful your presence, Lord
A D A
How my soul longs to see your face
F#m D A
To come with joy into your courts
D A
How blessed is the little sparrow
F#m D
Who makes a nest inside your house
A D A
'Cause I can think of no place better
F#m D A
To make a home and sing out loud

Chorus:

E
I want to be in your presence,
D A
I want to be near your heart
E
I want to know you're close
D A
Even when I'm feeling far
F#m A
I don't want what this world would offer
D A
I want the living God
F#m A D A
'Cause there's no place better than where you are

We will go from strength to strength

Whose heart is set on Zion's hill
A D A
The one who knows there's no place better
F#m D A
To bring our sorrows and be filled

One word from You Is better than silver or gold

Than a king with all the riches I could hold

For there's no place better than where you are
